Karen L. HudsonSTATUS INQUIRY

Our records indicate that we have not received any further correspondence in reference to the above-identified application since November 14, 2005, when we filed an Appeal Brief. Apparently, a Notice of Abandonment was mailed in error before our timely Notice of Appeal was received. The PAIR system still incorrectly indicates that this application has been abandoned.

It would be appreciated if the undersigned were telephoned or sent a mailing confirming that the status of this application has been corrected.

Respectfully submitted,
